MAY 26 1926 ✓ MIGHTY LIKE A MOOSE

By Hal<sup>E.</sup> Roach. ✓

Charlie Chase - unkindly treated by nature with abnormal protruding teeth - has married a wife with an abnormal nose. Both, strangely enough, decide to undergo surgical and dental treatment to undo the distortions and both decide to keep it a secret. The operations performed prove highly successful - so much so - that hubby meets wife - starts a flirtation and the ensuing situations, humorous throughout continue to the final moment when, both arriving at their own home, find they have only fooled themselves. But happiness rules at the close.
